The YLA is a daytime five day academy (no overnights) designed to prepare our dedicated youth to succeed and become tomorrow's decisive, disciplined and creative leaders.

The Youth Leadership Academy turns an ordinary summer week into an extraordinary adventure and turns seemingly unattainable challenges into very achievable successes. — Applicants must reside in Mahwah and have successfully completed 7th grade in a public or parochial school.

**"It's not how many hours you put into each day, but what you put into each hour that counts!"
